**PETITION FOR REVIVAL OF THE NATIONAL PHASE OF AN
INTERNATIONAL PATENT APPLICATION ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b)**

Dear Sir:

Applicant petitions to revive the subject application, and submits the following:

1. The above-identified application became abandoned for failure to timely file the U.S. National Phase of the International Patent Application.

2. The U.S. National Phase application was not filed according to Art. 22 § 1 and 2 of the PCT because of a docketing error. This docketing error has only just been discovered, and steps immediately have been taken by the Applicants as soon as the Applicants became aware of the abandoned status of the U.S. National Phase application. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.
